

REcolorado is excited to offer our Participant data customers the ability to receive Participant data via Web API, using CoreLogic's Trestle™ platform.

To get started with REcolorado's Participant data via Web API, you'll need to set up an account in Trestle. If you already have a Trestle account, login and begin with step 7.

1. Go to trestle.corelogic.com.
2. From the top menu, click **Get Started**.

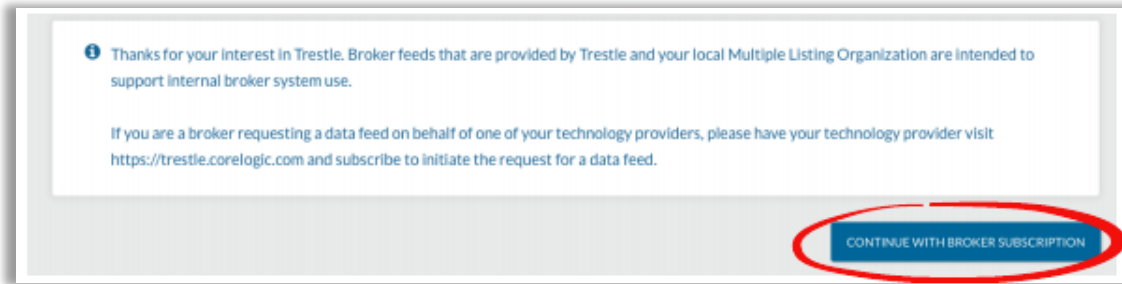

3. Select **Broker** from the Business Type screen.

✓ We have identified your email as bf*****ers.com. In order to protect your privacy and security, a verification email will be sent to this address. Click "NEXT" to continue the subscription process and check your email.

RESEND VERIFICATION EMAIL **NEXT**

Requesting REcolorado Participant Data in Trestle

NOTE: The e-mail address that receives your verification will be your Trestle login ID. Trestle requires each account to have a unique email address, so this email address must not be associated with any existing Trestle accounts.

7. Once the verification e-mail is complete, you will be asked to select the office or offices to include in your data set.
8. Enter your Primary Contact Information. This should be the contact information of the person associated with the e-mail address found by the system. The Primary Contact will be responsible for general administration of your organization's Trestle account. This is also where you will set your Trestle password for logging into the platform.

NOTE: The Primary Contact must be someone from your organization who has the authority to approve the Trestle subscription agreement on behalf of your company. If that is not you, please be prepared to provide that person's contact information instead. When you have entered all the required Primary Contact Information, click Next.

The screenshot shows a web form titled "Primary Contact Information". The form includes fields for First Name, Last Name, Job Title, Primary Phone, Mobile Phone, and Email. Below these fields is a "CREATE TRESTLE PASSWORD" section with a "Create password" input field and a "PASSWORD OPT IN" checkbox. A red box highlights the "Password Rules" text, which specifies: "Password Rules: (minimum 6-max 50 characters, minimum 1 Uppercase letter, 1 lowercase letter, 1 number, 1 special character from the following: @%+\\ /!#\$^?.,()[]-~_&<>|)". A red arrow points from the "Create password" field to the "Password Rules" text. The form also has "BACK" and "NEXT" buttons.

9. Enter your Company Information. Be prepared to enter the full legal name of your corporation, as well as the state of incorporation. Please also enter the

10. You will now need to review and accept the Trestle Subscriber Agreement. This is the agreement between your Brokerage and Trestle.

Trestle Subscriber Agreement

BACK ACCEPT SUBSCRIBER AGREEMENT

**TRESTLE SUBSCRIBER AGREEMENT
TECHNOLOGY PROVIDER**

This Trestle Subscriber Agreement ("Agreement"), when accepted by both you ("Subscriber") and CoreLogic Solutions, LLC ("CoreLogic"), will be a binding contract.

BY CLICKING "I ACCEPT" AND/OR BY ACCESSING OR USING THE SERVICES, YOU REPRESENT THAT YOU ARE DULY AUTHORIZED TO ACCEPT THIS AGREEMENT ON SUBSCRIBER'S BEHALF AND THAT SUBSCRIBER WILL BE BOUND BY ALL TERMS AND CONDITIONS CONTAINED IN THIS AGREEMENT. IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS CONTAINED HEREIN, YOU MAY NOT ACCESS OR USE THE SERVICES.

1. DEFINITIONS

11. You will now need to enter payment information for any applicable fees. Trestle Brokers get **one** data connection for free.

Payment Information Visa

Enter your credit card information so that the Multiple Listing Organization can bill your company for provided services.

CREDIT CARD TYPE*	BILLING ADDRESS*
Visa	123 Main Street
NAME ON CARD*	
Full Name	Austin
CARD NUMBER*	Texas
1234-5678-9999	
EXPIRATION DATE*	78628

BACK FINISH TRESTLE SUBSCRIPTION

12. After entering your payment information, you'll be prompted to set up your first Connection. This will require the purpose of your feed, the URL location from which you'll be requesting information, and your ID and password which are specific to that individual feed. If you want to set this up at a later time, simply hit the 'cancel' button in the right-hand corner of the set-up screen.

NOTE: All Connections with your MLS will require MLS approval before you will be granted access to the data.

13. You will now need to add a connection. The only option will be the Back Office (Participant) feed and the only transport option is Web API.

15. The agreement between you and REcolorado will be created and auto populated. Please review and accept if you agree or select the back button to make any necessary changes.

Requesting REcolorado Participant Data in Trestle

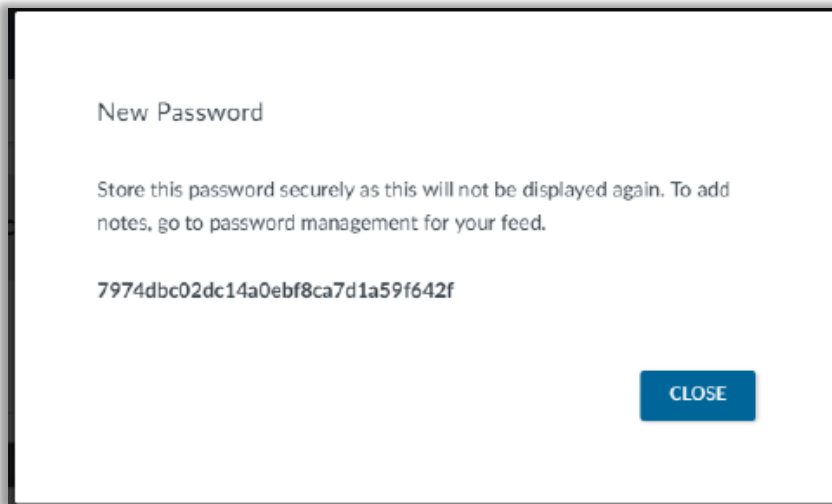

16. A moment after you initiate a Connection, Trestle automatically emails an e-signature ready copy of the contract to the Signor identified for your company during the Trestle subscription process. Then, after the Signor for your company has e-signed the agreement, it is automatically emailed to the designated individual within the corresponding MLS for his or her countersignature.
17. When you are ready and have accepted the terms to connect, you will be prompted to confirm you are ready for the feed password due to the fact that it will only display once.

18. Once you confirm, you will be provided a secure password. Store this password in a secure location, as it will not be retrievable once you click close. You can reset this password in your Trestle dashboard at any time.

Requesting REcolorado Participant Data in Trestle

19. You will be returned to your Connection manager displaying your requested feed and a pending contract status. Additionally, a contract via email will be sent for your signature.

Connection Manager

View and manage your Multiple Listing Organization Connections ADD CONNECTION

✔ Your request to connect with REcolorado has been sent. A contract will be emailed to amy.todd0@gmail.com for your eSignature. You will not have access to the selected Data Feed until the Multiple Listing Organization approves the connection request. ✕
